

HARVARD Kennedy School
MOSSAVAR-RAHMANI CENTER
for Business and Government

The mission of the Mossavar-Rahmani Center for Business & Government is to advance the state of knowledge and policy analysis concerning some of society's most challenging problems at the interface of the public and private sectors. The scope of its work ranges from the local to the global.

M-RCBG PROGRAMS

CORPORATE RESPONSIBILITY INITIATIVE

John Haigh & Dutch Leonard, Faculty Co-Chairs, Jane Nelson, Director

Seeks to study and enhance the public role of private enterprise, focusing on corporate governance and accountability, and on business as a partner in international development.

CORPORATIONS, GOVERNMENT AND PUBLIC POLICY

John Haigh, Director

Illuminates the fundamental issues of corporate public policy making and engagement by examining key elements of governance; the purpose of the corporation; and concepts of corporate performance, integrity and risk.

EDUCATION POLICY PROGRAM

Richard Light, Director

Capitalizes on major ideas and best principles from business & government to enhance education innovations & performance in the US.

FINANCIAL SECTOR PROGRAM

Jay Rosengard, Director

Focuses on the development of financial institutions, their products and delivery systems, the markets in which they function and the regulatory regimes under which they operate.

GROWTHPOLICY

Faculty contributors include Lawrence H. Summers, Jeffrey Frankel, Carmen Reinhart and many others

Looks at how to promote shared, sustainable economic growth, how to prevent the next financial crisis, what to do about inequality, and where jobs of the future will likely emerge.

HARVARD CLIMATE INTERNSHIP PROGRAM

Joseph Aldy, Director

A university-wide program supporting graduate students who work in a climate policy-oriented summer internship.

HARVARD ELECTRICITY POLICY GROUP

William Hogan, Director

Provides a forum for the analysis and discussion of important policy issues regarding the U.S. electricity industry.

HARVARD ENVIRONMENTAL ECONOMICS PROGRAM

Robert Stavins, Director; Robert Stowe, Executive Director

Brings together faculty and graduate students from across Harvard University to engage in research, teaching, and outreach efforts in environmental and natural resource economics and related public policy.

HARVARD KENNEDY SCHOOL HEALTHCARE POLICY PROGRAM

Amitabh Chandra, Director

Addresses research on access, innovation, and value in healthcare; establishing conversations between researchers, government, and industry; and preparing future generations of leaders through educational programs.

HARVARD PROJECT ON CLIMATE AGREEMENTS

Robert Stavins, Director

A major global initiative to help identify the key design elements of a scientifically sound, economically rational, and politically pragmatic international policy architecture for global climate change.

KANSAI KEIZEI DOYUKAI PROGRAM

Roger Porter, Director

Organizes research and holds an annual symposium on issues relating to Japan and the Asia-Pacific region, including regional security, economic policy, and global trade and finance.

PUBLIC IMPACT ANALYTICS SCIENCE LAB (PIAS-LAB)

Soroush Saghafian, Director

Devoted to advancing and applying the science of analytics for solving societal problems that can have public impact, mainly focusing on the healthcare sector.

PROGRAM ON SCIENCE, TECHNOLOGY AND SOCIETY

Sheila Jasanoff, Director

Seeks to develop foundational, policy-relevant insights into the nature of science and technology, and the ways in which they both influence and are influenced by society, politics and culture.

REGULATORY POLICY PROGRAM

Joseph Aldy, Director

Addresses important policy issues affecting the regulation of financial markets, transportation, manufacturing, the environment, energy and other vital aspects of the global economy.

RISING CHINESE ECONOMIC POWER

Lawrence H. Summers and William Overholt, senior leadership

Looks at research from across Harvard for the best policies, ideas, and advice on how to respond to the many challenges posed by China's expanding role on the world stage.

SENIOR FELLOWS PROGRAM

Richard Zeckhauser and John Haigh, Directors

Brings distinguished academics and practitioners to conduct research and lead study groups on topics at the intersection of business and government.

SUSTAINABILITY SCIENCE PROGRAM

William Clark, Director

Harnesses the University's strengths to promote the design of institutions, policies & practices that support sustainable development.

TECHNOLOGY, INNOVATION AND REGULATION

John Haigh, Director

Examines the linkages between new technology, the private sector and government to further the public interest.

TRADE & NEGOTIATIONS PROGRAM

Robert Lawrence, Director

Focuses on the dynamics of international trade negotiations, problems of global governance and international dispute settlement procedures at the World Trade Organization, with the central goal of making the global trading system work better.

SEMINARS AND EVENTS

M-RCBG organizes well over 100 seminars, conferences and other events each year. Visit mrcbg.org for a full schedule.

WORKING PAPERS

Interested in climate change, cryptocurrency or economic growth? See M-RCBG's working papers on these and dozens of other topics under the publications menu at mrcbg.org.

STUDENT PROGRAMS

M-RCBG awards travel grants and other support to students and student-run organizations. It sponsors career panels, helps identify internship opportunities, and works closely with the Business & Government student group to develop activities and events of special interest to the student community.

LEARN MORE
